

# White Board

## White Board

The WHITE BOARD have a contemporary design with an elegant frame made from natural aluminium without plastic corners. The boards have a white ceramicsteel surface and are magnetic, easy to write on and of course, dry-erasable. We can supply them in any size you require and signed to your specifications.

### FEATURES :

- > Non Porous Ceramic Surface.
- > Wear and Scratch Resistant.
- > Insensible of chemical & mechanical influences.
- > Indefinite span of life.
- > Maintenance free and non fading.
- > Dry erasable.
- > Magnetic.
